Presents

GAMING EVENT

(PUBG – MOBILE, CS: GO, FIFA)

Complex, challenging, and ambitious, video games have come a long way since the simple arcade titles of the 1970s—and evidence is mounting that the benefits of play go well beyond entertainment and improved hand-eye coordination.

Rules and regulations are as follows:

Registration can be done on website, phone call or directly to the organizer.
Registration will be considered done only after payment of ₹50/player is completed.

Registration link - <https://goo.gl/forms/U6vuGOQN6ITPKU8j2>

General:

- This event can also be played from home.
- All player shall be registered 24 hours before the event who wish to play the event from home.
- Spot entry and re-entry is applicable in college premises (this rule is flexible in certain conditions).
- Time-slot of the event will be confirmed at the time of registration or at least 72 hours before the event starts.
- No re-schedule can be arranged.
- All players will have a solo entry but event is in all Formats.
- Game will be played in TPP (Third Person Perspective).
- Game will be a custom match by Room (private server).

- Teaming up within the game is completely illegal and even against the PUBG policies which can result in account block.
- All player must have their own active PUBG Mobile account and change in username must be informed to organizers before.
- Game can be played on either Mobile phones or Tencent Buddy emulator for pc's only.
- All other emulators are illegal.
- Foul language, offensive and disruptive behavior with other players or organizers will result in warning for the first time then disqualification will be rewarded 😊 without any refund.
- Organizers have all the rights to change the settings and rules of the event any time keeping in mind the condition-based problems.
- Room user id and password will be provided 20-30 min. before the start of match.
- Due to less participation in any of the mode, player will be transferred to random mode.

Map Pool:

Map will be from defaults only (chosen randomly by organizers)

Erangel Miramar Sanhok (if available)

Type of game will be decided on the bases of number of participants.

Server Crash:

- Server will be restarted only thrice if needed.
- No individual player can demand server restart.
- If the server crashes before first 4 mins game will be restarted without any prior record.

Illegal Scripts or software:

- In general, all scripts are illegal.
- Specifically taking use of external scripts or software (other than game) to get benefits over another player is completely illegal.
- Violation of this rule can result in instant disqualification without any refund.
- Remember hacking PUBG game is illegal and company has all rights to block your account or take legal action on doer.

How to win?

All player will put in arena with other players and last one standing wins.

Winner will only be confirmed after overviewing the gameplay of the player by team of organizers, if not found cheating. Other players are also welcomed for report the player if they feel they are using illegal means.

All disqualification, prize money-based and any related issues reside in the hands of organizers.
